More models of Mustang Motorcycles. Looking to expand the market, in December of 1948 Mustang introduced the Model 3 DeliverCycle, a three-wheeled, low-cost commercial vehicle. Police departments used DeliverCycles for parking enforcement — the city of Huntington Beach, Calif., was the first to use trikes for this purpose.

Sean Kiernan, who sold the iconic Bullitt Mustang earlier this month for \$3.4 million has confirmed that the car's new owner will not restore it.. The Highland Green Ford Mustang GT 390 is famously unrestored, bearing the scars from the filming of the legendary car chase in the 1968 film, plus over 40 years of day-to-day use.. Kiernan's parents purchased the car back in 1974 after spotting it ...

Gonzo journalist and literary roustabout Hunter S. Thompson flies with the angels—Hell ’ s Angels, that is—in this short work of nonfiction. “ California, Labor Day weekend . . . early, with ocean fog still in the streets, outlaw motorcyclists wearing chains, shades and greasy Levis roll out from damp garages, all-night diners and cast-off one-night pads in Frisco, Hollywood, Berdoo and East Oakland, heading for the Monterey peninsula, north of Big Sur. . . The Menace is loose again. ” Thus begins Hunter S. Thompson ’ s vivid account of his experiences with California ’ s most notorious motorcycle gang, the Hell ’ s Angels. In the mid-1960s, Thompson spent almost two years living with the controversial Angels, cycling up and down the coast, reveling in the anarchic spirit of their clan, and, as befits their name, raising hell. His book successfully captures a singular moment in American history, when the biker lifestyle was first defined, and when such countercultural movements were electrifying and horrifying America. Thompson, the creator of Gonzo journalism, writes with his usual bravado, energy, and brutal honesty, and with a nuanced and incisive eye; as *The New Yorker* pointed out, “ For all its uninhibited and sardonic humor, Thompson ’ s book is a thoughtful piece of work. ” As illuminating now as when originally published in 1967, *Hell ’ s Angels* is a gripping portrait, and the best account we have of the truth behind an American legend.
