If you are not in that category and want just the Christmas Eve service and not the whole bundle, shoot me a note. In these four weeks, I'm going to write two more liturgies for the Advent and Christmas season. I might even write one for Epiphany. I have a rough idea on that one where the others are already drafted.

There are hints of a period of preparation prior to the celebration of Jesus' birth — in a ruling in 380 that no one should be allowed to absent themselves from church from the 17th December until the feast of Epiphany — but it is not until the end of the sixth century that a prescribed period of time was set aside as preparation for Christmas.

In different Churches, the Christmas Season might end on Jan. 6 (the traditional date of the Feast of the Epiphany), or might last until the Feast of the Baptism of the Lord (usually the Sunday after Epiphany), or might even last all the way to Feb. 2 (the Feast of the Presentation of the Lord, 40 days after Dec. 25).

Preeminent hymn writer and liturgist Brian Wren offers this new collection of worship resources suitable for a variety of worship traditions during Advent, Christmas, and Epiphany. These theologically sound and creative worship resources include prayers, litanies, calls to worship, and complete liturgies crafted to encourage rhythmic public responses during worship. All material is drawn from the readings from all three years of the Revised Common Lectionary. This collection also contains Scripture selections from the nativity narratives in Matthew and Luke and the messianic sections of Isaiah and the Psalms, making it just as useful to churches that do not follow the Revised Common Lectionary. Additional features of this volume include a Scripture index that points users to materials drawn from passages, a topical index listing items that can be used on other occasions during the church year.

When Adrien Nocent's The Liturgical Year was published in the 1970s, it was the very first comprehensive commentary on the three-year lectionary in relation to the Sacramentary/Missal as these were revised following the Second Vatican Council. Expressed on nearly every page was Nocent's conviction that the liturgy and the Word of God proclaimed within it have something important to say to real people of every culture and time. He constantly returns to the question: What does this passage have to say to us today? Now this extraordinary work of applied, postconciliar liturgical scholarship has been emended and annotated by one of today's leading liturgical scholars. Paul Turner has provided many helpful explanatory notes on history, culture, language, and, of course, liturgy. He has also updated the liturgical texts to conform to The Roman Missal, Third Edition. The result is a resource that promises to enrich and inspire a new generation of presiders, preachers, liturgy planners, and students. On the fiftieth anniversary of Vatican II's Sacrosanctum Concilium, encounter the vibrant scholarship and pastoral wisdom of Adrien Nocent's The Liturgical Year again or for the first time! Volume 1 covers the liturgical seasons of Advent, Christmas, and Epiphany.

Days of the Lord: Volume 1

The seasons of Advent, Christmas and Epiphany contain some of the most beloved celebrations in the Christian year. The author draws on the historical significance of the events that these celebrations recollect and brings contemporary meaning to these days cherished by Christians everywhere.

Advent, Christmas, and Epiphany: Liturgies and Prayers for...

Sybil MacBeth writes that Advent and Epiphany are the often-neglected parentheses around Christmas. And they deserve more attention and better publicity. This Season of the Nativity sets the stage the liturgical year, our yearlong journey through Scripture and salvation history. Sybil MacBeth's memoir, front porch theology, and pages of practices and activities invite individuals and families to enjoy this season in a way that has more peace and more Christ and less chaos and guilt. She offers simple tools for busy people — perhaps to reclaim a joyful and yes, serious nativity season for the first time. Sybil MacBeth is a dancer, a doo-ler, and a former community college mathematics professor. Her books include Praying in Color: Drawing a New Path to God, Praying in Color: Kids' Edition, and Praying in Color—Portable Edition. Learn more about Sybil and her work at prayingincolor.com. “This gorgeous book is going to remain at my reading chair, dog-eared and bookmarked, all through the Yuletide season. It will also be under the tree of just about everyone on my gift list. We will all have more interesting winters, and greater intimacy with Jesus, because of it.” —Lauren F. Winner, author of Still and Mudhouse Sabbath “This beautifully designed book caters to those of us for whom waiting for Christmas is the very best part about the holidays. With activities like Advent calendars, games, doodles, carols, and my personal favorite—“flaunting the color purple”—Sybil MacBeth helps us see the Nativity as an entire season stretching from Advent through Epiphany, each day an opportunity for Technicolor grace.” —Jana Riess, author of Flunking Sainthood and Flunking Sainthood Every Day If you think you're already familiar with Advent, Christmas, and Epiphany, think again! After reading this book, you'll never see those seasons in the same way. With humor, spiritual wisdom, and innovative activity suggestions, the author makes you open your eyes in wonder.” —Linda Douty, spiritual director and author of 5 books, including Rhythms of Growth: 365 Meditations to Nurture the Soul “With heart-open honesty, Sybil MacBeth opens the door to a new exploration of the three-part Nativity Season. With personal and family-friendly practices and her appealing approach, Sybil invites both seasoned Christians and curious seekers to prepare in Advent, nestle into Christmas, and wonder anew in Epiphany. Extremist? Not really, but perhaps the leader of a new awakening. —Connie Denninger is a retreat leader, teacher of prayer and spiritual disciplines, and advocate of the Arts in Christian Practice Sybil MacBeth's genius is for getting the grand themes — like prayer and yearning and waiting and birth and joy — into real life. She starts with scripture and tradition and solid theology and ends up right on the kitchen table or living room (where children and adults alike are actually enjoying one another). As an on-the-ground parish priest, I want this book in every home of every parishioner. That's because I know they want what I want — not to dread the approach of Christmas and feel inadequate in its wake — but to truly experience God's great activity before, during and after in a way that's full of pleasure and meaning. This book lines out the very concrete path from the wish to the reality. —Rev Carleton Bakkum, Episcopal Priest and Rector of Grace Episcopal Church, Yorktown, VA. — also an artist The “Season of the Nativity” by Sybil MacBeth is an invitation into spiritual growth through frameworks and forms — by sharing with the reader some familiar and many new ways to prepare for and celebrate Advent, Christmas, and Epiphany. Her book is an incarnational feast of ideas — both thoughtful and fun, challenging at times and delightful as well. You will want your own copy as well as several to share with your friends. —The Reverend Canon Meredith Hunt, Episcopal Priest, Diocese of Western Michigan As Luther translated Scripture in the language of the people, Sybil Macbeth's Seasons of the Nativity translates the Church's ancient Incarnation liturgy into the every day lives of God's children of every age. If you adopt any of Sybil MacBeth's suggestions for observing the Church's liturgical seasons of Advent, Christmas and Epiphany—watch out! You may find yourself holding the ChristChild in a whole new way—that may change your life and the lives of those around you! Whether its Praying in Color or her latest work, Seasons of the Nativity, Sybil MacBeth makes the mysterious things of God (prayer) and the Church (liturgy) accessible to everyone. In her book, Seasons of the Nativity, Sybil MacBeth moves liturgy into action as she provides meaning-full ways to anticipate and expect, welcome and receive, enjoy and cherish the gift of Jesus in the seasons of Advent, Christmas and Epiphany. The Rev. Dr. John R. Denninger, Bishop/President Southeastern District Lutheran Church—Missouri Synod

Advent, Christmas, and Epiphany: Liturgies and Prayers for...

According to Dom Gregory Dix, the basic shape of the Christian liturgy has remained the same “ever since thirteen men met for supper in an upper room at Jerusalem” some two thousand years ago. According to Martin Connell, the same cannot be said for the liturgical year. The Triduum, or three days of Easter, only emerged in the fourth century. So, too, did Christmas. Earlier, Epiphany was the birthday of the Savior. Although a pre-Easter fast of variable length was observed since earliest times, the precise Forty Day span only appeared, once again, in the fourth century. And that foundational fourth century also saw the beginnings of the observance of Advent, which actually took centuries to catch on. As Connell demonstrates in this fascinating book, the varieties of Christian observance emerged in local communities stretching from Gaul to India and were often born in the struggles that were define orthodoxy and heresy. Eternity Today is a vade mecum for anyone who wishes to observe the liturgical year with intelligent devotion. Throughout, Connell aims to recover the theology and spirituality of the Christian year. As an aid to reflection, he incorporates numerous selections of contemporary poetry, thereby demonstrating how secular poets can often hit upon a point that finds its echo in Christian life and ritual. Eternity Today: The Liturgical Year, Volume 1 covers Advent, Christmas, Epiphany, Candlemas, and Ordinary Time.

Each volume follows a three part pattern: 1) biblical and liturgical reflections on the season; 2) the season's structure and themes; 3) suggestions from the past.
