This innovative title explores the ways that critical thinking can be applied to problem solving in school, work, and social settings. Real-world examples and opportunities for hands-on practice support readers as they learn how to frame, analyze, and synthesize information. Readers are also encouraged to ask questions to clarify points of view, and apply other core skills essential to making complex choices and determining sound solutions.

Los Angeles magazine is a regional magazine of national stature. Our combination of award-winning feature writing, investigative reporting, service journalism, and design covers the people, lifestyle, culture, entertainment, fashion, art and architecture, and news that define Southern California. Started in the spring of 1961, Los Angeles magazine has been addressing the needs and interests of our region for 48 years. The magazine continues to be the definitive resource for an affluent population that is intensely interested in a lifestyle that is uniquely Southern Californian.

When second graders Benny and Jacob bring a baby alligator to school in a cardboard box, the class shares an impromptu "pet safari" while their teacher helps them understand which creatures are suitable as class pets and which are better housed elsewhere. Original.

The weirdness never stops! The security guard at Ella Mentry School has gone off the deep end! Somebody is stealing peanut butter and jelly sandwiches from the vomitorium, and Officer Spence is on the case. He's arresting everybody in sight! Somebody is going to go to jail! Who is it? You'll have to read the book to find out.

Recounts the life and career of the inventive and controversial rock musician, and includes information on his philosophies on art, his opinions on the music industry, and his thoughts on raising children.
