The English Syllabus is organised for examination as English A and English B. The former emphasises the development of oral and written language skills among students through a variety of strategies. The latter provides opportunities for students to explore and respond critically to specific literary texts as they observe and appreciate the author's craft.

range of themes and subjects and include a balance of well-known texts from the past as well as more recent works. - The anthology includes texts from the Caribbean and the rest of the world to stimulate an interest in and enjoyment of reading and literature. - This collection contains notes on each text and questions to provoke discussion, as well as a useful checklist to help students with literary analysis. - The book contains practical guidance for students on how to tackle examination questions, with examples of model answers for reference.

The cultural and linguistic complexity of postcolonial Trinidadian society is cleverly portrayed in this beautifully written West Indian novel. Hodge uses the voice of the central character, Tee, to tell a story that begins with two young children forced to live first with their aunt Tantie and then with Aunt Beatrice. Tantie's world overflows with hilarity, aggression, and warmth. Aunt Beatrice's Creole middle-class world is pretentious and exudes discriminatory attitudes toward people of color in the lower classes. As we follow Tee from childhood to young adulthood, we share the diversity and richness of her struggle to exist in two worlds, fit in with relatives and classmates, learn from differing cultures, and carve out her identity. In addition to Hodge's powerful, evocative writing and messages, readers are treated to an insightful introduction and study questions, written by Roy Narinesingh, that prompt fruitful discussions of postcolonial issues.

Another perceptive novel about a boy on the edge of adult responsibilities. It is the story of Shellie, a Trinidadian boy who moves to a new village and there meets two girls. He is charmed by Rosalie but he is attracted to the more cheerful and accessible Joan. Introduction by Gareth Griffiths.
