It's a dangerous time for Daniel X-and when he's cast in an evil director's TV show, he must fight to stay alive. Daniel X thought he'd seen it all in his dangerous days of hunting outlaws-but there's no business like show business, and Number Five on his list of deadly targets is the most appalling criminal yet. An intergalactic reality television producer has orchestrated the extermination of millions, with a soundtrack and laugh track to accompany it. The evil entertainer's catching it all on film, and he's looking for a big-ticket draw. Who better to star than the Alien Hunter himself? Daniel finds himself cast in the lead role of a terrifying season premiere . . . of the gravest show on Earth. Can Daniel X stop this deranged outlaw-or will he find himself on the cutting room floor?

In Tokyo, fifteen-year-old Daniel X faces two of the most dangerous aliens on the planet, who are plotting to use video games to control children and turn them into an army of doom.

James Patterson's high-octane sci-fi adventure series comes to a white-knuckle conclusion in the final battle that Daniel X has been waiting for. Daniel X has been hunting aliens most of his life. Aided by his power to create anything he can think of, he's fought his way up the list of the galaxy's most wanted aliens, demons and scumbags. There's only one name left. The Prayer. Evil incarnate. The one who robbed Daniel of a normal, happy life the day he gunned down Daniel's entire family. They say The Prayer is basically a god, hell-bent on bringing death to every corner of the universe. And only Daniel X can stop him. But Daniel's amazing power seems to have abandoned him, and he's grasping at answers he can't quite reach. With the fate of Earth hanging in the balance, can Daniel find a way to win a fight that has him hopelessly outmatched?

The Alien Hunter is playing with firea Daniel X is on an impossible mission: to eliminate every intergalactic criminal on the face of the Earth. Using his incredible superpower to create objects out of thin air, he's taken on some of the most fearsome and fiendish aliens in the universe. Now Daniel has travelled to England in search of his next target: the explosive demon of fire Phosphorius Beta and his army of flame-weaving henchmen. But it's going to take a whole new level of mojo to destroy this villain. Beta's strength has been growing since he arrived on Earth more than a millennium ago, and he's finally ready to turn the blue planet into his own fiery wasteland. The only way to stop him is by jumping back in time to the Dark Ages to end Beta's blistering reign before it has a chance to begin. But can Daniel X take the heat? Or will the Alien Hunter finally get burned?

The story of Daniel X, the alien hunter, is brought to life in this brilliantly illustrated, fast-paced graphic novel. Daniel X works alone. Having watched from the shadows as the brutal murder of his own parents unfolded before him, he has been forced to make his own way in a dark and unforgiving world with a heavy task handed to him. Daniel's father was an alien hunter, working his way through a fearsome 'wanted' list of aliens intent on seeking control and wreaking devastation. But as he planned his next target, his own time was running out. Following his parents' sudden deaths, Daniel faced an uncertain future: he knew little about his family nor where he came from but a few things were clear, he had inherited the list from his father and a unique ability to create anything that he needs including some very devoted friends to help him along the way. His life has become dedicated to the mission. Every day has been transformed into a terrifying hunt, watching each step he takes for danger awaits around every corner and lurks within the shadows. His ultimate aim is to exact revenge against number 1 on his list: his parents' murderer. But first he must target the others: each more sinister and gruesome than the last.

In the fifth installment of James Patterson's action-packed Daniel X series, Daniel must now face an alien whose origins appear nearer to the depths of Hell than the outer reaches of the galaxy. Number Two on the List of Alien Outlaws is an unstoppable criminal that's slowly been amassing an underground army of disgusting, disgruntled, and dangerous aliens to help him enslave Earth's population. And it's all in preparation for the arrival of Number One, the most powerful alien in the universe and Daniel's arch-nemesis. To Daniel's horror, thousands of humans defect to the alien's side, making the odds of success that much more impossible. But for the first time in his life, Daniel isn't alone in his fight. He's connected with several military and intelligence groups--including the daughter of a prominent FBI agent--and he's ready to lead the ultimate showdown against the evil that has plagued planet Earth for so long. Be prepared for a truly epic battle that evokes the ancient prophecies of Armageddon!
