Spare Parts - Hatz Diesel

M-Series – Ready to use all the time. The M-Series is the mainstay among industrial diesel engines. The 2, 3 and 4-cylinder engines have been successfully established on the market for around 30 years – and they are still regarded as unbeatable.

M-Series, industrial diesel engine, diesel engine - Hatz ...

D-Series – Revolutionary technology in single cylinder. The Hatz D series is best suited for challenging tasks. It is characterized by high power and the unique design in particular. Thus, with 11.2 kW, the 1D90 engine is the highest performance single-cylinder diesel engine in the world. A compensation weight on the flywheel side crank arm as well as balance weights cast in the flywheel ensure the special quiet running of the D series.
