Written by the Adventures in Odyssey team, 90 Devotions for Kids provides fun, Bible-based devotions for families and will encourage children to spend time learning more about God. There are no better mentors than Whit and the folks from Odyssey to partner with parents as they teach their children about God's Word and make the truths of the Bible accessible to their kids. AIO's 90 Devotions for Kids includes thirteen weeks of devotions. Sidebars from Odyssey favorites Wooton, Whit, Connie, and Eugene provide friendly suggestions for life applications. Each week has an individual theme and will include an overview to introduce the theme, seven devotions that reference AIO dramas, and an activity to reinforce the core biblical truths taught during the week. Parents will find the tools they need to help start children on a path toward regular time alone with God, and families will be encouraged to spend time together as they share the daily readings.

Discover the Wonders of the Universe with the Creator. Based on Louie Giglio's popular messages "Indescribable" and "How Great Is Our God," Indescribable: 100 Devotions About God & Science will help kids discover the incredible creation of our indescribable God. Indescribable displays the majesty of creation with scientific findings, photography, and original illustrations. These 100 devotions encourage awe at God's creativity with an in-depth look at: Space, galaxies, planets, and stars Earth, geology, oceans, and weather Animals: from hummingbirds to dinosaurs Our minds, bodies, and imaginations Indescribable: 100 Devotions About God & Science has sold over 100,000 copies! This book is perfect for children, ages 6-10 years old, and each devotional features a: "Be Amazed" section with fascinating scientific facts Easy-to-follow, hands-on STEM activity Closing prayer Psalm 19:1 says, "The heavens tell the glory of God. And the skies announce what his hands have made." It's impossible to out-imagine God. He orchestrates time, creates light, and speaks things into existence--from the largest stars to the smallest starfish. God is the powerful, purposeful, personal, unparalleled Creator. Check out Louie Giglio's other bestselling science devotional, How Great Is Our God: 100 Indescribable Devotions About God and Science.

"Describes the journey on the Oregon Trail from three different historical perspectives"--Provided by publisher.

Read Book Honesty Adventures In Odyssey Life Lessons

This Odyssey book series explores the history of the much-loved character John Avery Whittaker. The series introduces newcomers to the larger world of Odyssey. For readers who are already Odyssey-philes, the novels provide the history of the franchise's most important character. Whit and his family (father, Harold; stepmother, Fiona; half-sister, Charlie) have just moved to Provenance, NC, in the middle of the Great Depression. Harold will be teaching at nearby Duke University. Not-quite-10-year-old Johnny soon makes a friend in Emmy, who lives across the street and joins him in his adventures. At his new school, he encounters a bully who makes his life miserable, and he makes a new friend in Huck, the custodian. Both of them play key roles in the mysteries and action. The central mystery in book 1 involves Confederate gold missing since the end of the Civil War and the question of whether Johnny's ancestor was the coward and thief who stole it, as everyone believes.

Contents: The Confessions of St. Augustine, with introduction, and notes.

Bestselling author Sherman Alexie tells the story of Junior, a budding cartoonist growing up on the Spokane Indian Reservation. Determined to take his future into his own hands, Junior leaves his troubled school on the rez to attend an all-white farm town high school where the only other Indian is the school mascot. Heartbreaking, funny, and beautifully written, *The Absolutely True Diary of a Part-Time Indian*, which is based on the author's own experiences, coupled with poignant drawings by Ellen Forney that reflect the character's art, chronicles the contemporary adolescence of one Native American boy as he attempts to break away from the life he was destined to live. With a forward by Markus Zusak, interviews with Sherman Alexie and Ellen Forney, and four-color interior art throughout, this edition is perfect for fans and collectors alike.

Play detective along with Emily and Matthew and they search for clues and look for evidence.

"Adam Nicolson writes popular books as popular books used to be, a breeze rather than a scholarly sweat, but humanely erudite, elegantly written, passionately felt...and his excitement is contagious."—James Wood, *The New Yorker* Adam Nicolson sees the *Iliad* and the *Odyssey* as the foundation myths of Greek—and our—consciousness, collapsing the passage of 4,000 years and making the distant past of the Mediterranean world as immediate to us as the events of our own time. *Why Homer Matters* is a magical journey of discovery across wide stretches of the past, sewn together by the poems themselves and their metaphors of life and trouble. Homer's poems occupy, as Adam Nicolson writes "a third space" in the way we relate to the past: not as memory, which lasts no more than three generations, nor as the objective accounts of history, but as epic, invented after memory but before history, poetry which aims "to bind the wounds that time inflicts." The Homeric poems are among the oldest stories we have, drawing on deep roots in the Eurasian steppes beyond the Black Sea, but emerging at a time around 2000 B.C. when the people who would become the Greeks came south and both clashed and fused with the more sophisticated inhabitants of the Eastern Mediterranean. The poems, which ask the

eternal questions about the individual and the community, honor and service, love and war, tell us how we became who we are.

A historic literary event: the publication of a newly discovered novel, the earliest known work from Harper Lee, the beloved, bestselling author of the Pulitzer Prize-winning classic, *To Kill a Mockingbird*. Originally written in the mid-1950s, *Go Set a Watchman* was the novel Harper Lee first submitted to her publishers before *To Kill a Mockingbird*. Assumed to have been lost, the manuscript was discovered in late 2014. *Go Set a Watchman* features many of the characters from *To Kill a Mockingbird* some twenty years later. Returning home to Maycomb to visit her father, Jean Louise Finch—Scout—struggles with issues both personal and political, involving Atticus, society, and the small Alabama town that shaped her. Exploring how the characters from *To Kill a Mockingbird* are adjusting to the turbulent events transforming mid-1950s America, *Go Set a Watchman* casts a fascinating new light on Harper Lee's enduring classic. Moving, funny and compelling, it stands as a magnificent novel in its own right.
