IELTS Writing Task 2: Sample #91 (PROBLEM & SOLUTION) Posted on February 25, 2020 February 25, 2020 Author IELTS Practice Online  
In many countries people are concerned about the number of children who are overweight.

"This Student's Book with answers contains separate sections focussing on Reading, Writing, Listening and Speaking ; 8 official practice tests from Cambridge English ; DVD-ROM with MP3 files and speaking test videos."--Publisher.

I was an IELTS examiner and I wrote this book with the current IELTS Task 2 topics for 2020. The goal of this book is to improve writing skills and give ideas for people who wish to receive a score of 6.0-7.0 or higher for Task 2 of IELTS Academic and General exam. This book strives to reach your desired score by giving you the ideas and vocabulary for current topics. I have many years of experience successfully developing learners for the IELTS exam and many more years as a writing examiner. The layout of this book has been used with countless students with great success. This book can be used in the classroom with a teacher or as a self-study manual.

Description of Writing Task 2  
Task 2 is similar to putting a jigsaw puzzle together. The exam question gives a tiny picture of what you must make. The puzzle pieces are in your mind somewhere, but you only have 40 minutes to find them and put them together. If you have ever built a jigsaw puzzle, you know how essential the corner and edge pieces are. This innovative book, unlike any other, gives you the corner and edge pieces (ideas) that match with all current exam questions. No other book does this! Having good ideas for topics is necessary to achieve 7 or higher on your IELTS writing. This book will:

- \*Give 5 to 10 minutes more to do Task 2.
- \*Give more ideas to write more.
- \*Give you great ideas to make your Task 2 look better.
- \*Give you more vocabulary and grammar.

Challenges to overcome for Writing Task 2  
This book dramatically helps candidates with the two most notable complaints about IELTS Writing.

Candidate complaint #1 - "I do not have enough time to write Task 2 well."  
Solution - This book provides ALL type 2 questions and ideas so you can save time preparing before you start writing.

Candidate complaint #2 - "the topic is strange or not well known to me, so it is hard to write a good essay."  
Solution - By looking at all the question, especially the topics less familiar, you can quickly plan a convincing essay to receive a score of 7 to 8 comfortably.

Candidate complaint #3 - It is not easy to use different words to talk about the same topic.  
Solution - Each topic in this book has synonyms and idioms to improve your vocabulary score. This book has all the connecting words and referencing advice you need to receive a 7 to 8. Connecting words like however and there, and knowing how to refer back to previous ideas is necessary for 7 and higher.

Vocabulary - Many books give you lists of words and synonyms. However, then you lose points on your writing test because you have misused words or have the wrong collocation. By looking at how this book uses different words to describe ideas in context, you will have a much better idea when you write your exam. This book guarantees to have all you need to receive 7 or higher for 3 of the 4 categories: Task Achievement, Coherence + Cohesion, and Lexical Resource (vocabulary).

Note for teachers  
You can format this book from epub to a Word document. There

## Where To Download Ielts 9 Solution Manual

are 47 lessons which can begin with the 'vocabulary questions' included for each topic. These questions will help learners to activate schemata and personalize lexis to improve writing and speaking. For self-study students you can study alone, but more progress will be made if you have a partner or group. You can use the vocabulary questions to improve your understanding of more academic words/collocations that will help you with speaking, listening and reading. The book is not meant to be memorised but rather to give you ideas for you to add your examples. You cannot memorise an essay. You can have more ideas and vocabulary about many different topics so that when it comes time to write, you can do so much more confidently. Each essay style is provided with many examples, vocabulary and vocabulary questions to help you improve your vocabulary

Cambridge IELTS 10 provides students with an excellent opportunity to familiarise themselves with IELTS and to practise examination techniques using authentic test material prepared by Cambridge English Language Assessment. It contains four complete tests for Academic module candidates, plus extra Reading and Writing modules for General Training module candidates. An introduction to these different modules is included in each book, together with with an explanation of the scoring system used by Cambridge English Language Assessment. A comprehensive section of answers and tapescripts makes the material ideal for students working partly or entirely on their own.

Mometrix Test Preparation's IELTS Book for General Training and Academic 2021 - 2022 - IELTS Secrets Study Guide is the ideal prep solution for anyone who wants to pass their International English Language Testing System. The exam is extremely challenging, and thorough test preparation is essential for success. Our study guide includes: \* Practice test questions with detailed answer explanations \* Step-by-step video tutorials to help you master difficult concepts \* Tips and strategies to help you get your best test performance \* A complete review of all IELTS test sections \* Listening Module (Including Links to Audio Samples) \* Reading Module \* Writing Module \* Speaking Module Mometrix Test Preparation is not affiliated with or endorsed by any official testing organization. All organizational and test names are trademarks of their respective owners. The Mometrix guide is filled with the critical information you will need in order to do well on your IELTS exam: the concepts, procedures, principles, and vocabulary that the British Council, IDP: IELTS Australia and the University of Cambridge ESOL Examinations (Cambridge ESOL) expects you to have mastered before sitting for your exam. The Listening Module section covers: \* Main ideas \* Voice changes \* Specifics \* Interpret \* Memory enhancers The Reading Module section covers: \* Reading comprehension \* Writing devices \* Types of passages \* Responding to literature \* Literary genres \* Critical thinking skills \* Informational sources \* Critical thinking skills The Writing Module section covers: \* Brainstorm \* Pick a main idea \* Body paragraph The Speaking Module section covers: \* Tell a Story ...and much more! Our guide is full of specific and detailed information that will be key to passing your exam. Concepts and principles aren't simply named or described in passing, but are explained in detail. The Mometrix IELTS study guide is laid out in a logical and organized fashion so that one section naturally flows from the one preceding it. Because it's written with an eye for both technical accuracy and accessibility, you will not have to worry about getting lost in dense academic language. Any test prep guide is only as good as its practice questions and answer explanations, and that's another area where our guide stands out. The Mometrix test prep team has provided plenty of IELTS practice test questions to prepare you for what to expect on the actual exam. Each answer is explained in depth, in order to make the principles and reasoning behind it crystal clear. Many concepts include links to online review videos where you

can watch our instructors break down the topics so the material can be quickly grasped. Examples are worked step-by-step so you see exactly what to do. We've helped hundreds of thousands of people pass standardized tests and achieve their education and career goals. We've done this by setting high standards for Mometrix Test Preparation guides, and our IELTS Book for General Training and Academic 2021 - 2022 - IELTS Secrets Study Guide is no exception. It's an excellent investment in your future. Get the IELTS review you need to be successful on your exam.

We all know the basics of punctuation. Or do we? A look at most neighborhood signage tells a different story. Through sloppy usage and low standards on the internet, in email, and now text messages, we have made proper punctuation an endangered species. In *Eats, Shoots & Leaves*, former editor Lynne Truss dares to say, in her delightfully urbane, witty, and very English way, that it is time to look at our commas and semicolons and see them as the wonderful and necessary things they are. This is a book for people who love punctuation and get upset when it is mishandled. From the invention of the question mark in the time of Charlemagne to George Orwell shunning the semicolon, this lively history makes a powerful case for the preservation of a system of printing conventions that is much too subtle to be mucked about with.

"Professor William J. Thomson emphasizes the formulation of differential equations to describe physical problems, helping readers understand what they are doing - and why. The solutions are either simple (separable, linear second order) or derivable with a differential equation solver."--BOOK JACKET.

This volume reports research that informs the development of reading and listening assessment in IELTS. This volume brings together a set of eight IELTS-related research studies - four on reading and four on listening - conducted between 2005 and 2010. Findings from these studies provide valuable evidence on the validity, reliability, impact and practicality of the IELTS test; they are also instrumental in highlighting aspects needing attention, and thus directly inform the continuing evolution of the IELTS reading and listening tests. The volume reviews and comments on the specific contribution of each study to the ongoing process of IELTS reading and listening test design and development.

This volume brings together a set of ten IELTS-related research studies - four on Speaking and six on Writing - conducted between 1995 and 2001. The ten studies were funded under the auspices of the British Council/IELTS Australia Joint-funded Research Program which promotes research activity among IELTS test stakeholders around the world. Findings from the studies provided valuable evidence on the validity, reliability, impact and practicality of the IELTS test; they were also instrumental in highlighting aspects needing attention, and so directly informed the revised design and implementation of the IELTS Speaking and Writing Modules introduced in 2001 and 2005. The volume reviews and comments on the specific contribution of each study to the ongoing process of IELTS speaking and writing test development; it also evaluates the range of research methodologies used in the projects and discusses their usefulness for researchers working in the broader field of performance assessment.

Prepare students for the IELTS exam as well as future academic study. With its focus on academic skills, this updated version of Focus on IELTS equips students for both the IELTS examination, and the tools that they need for academic life.
