Krones Bottle Filler Operation Manual

In one hour, the machine can fill 37,000 2-litre bottles. And that is not even its maximum capacity: its capacity of 78,000 litres an hour means that the filler will be able to fill 3.0 litre bottles at a rate of 26,000 bottles per hour in the future.

Equally as spectacular as the performance data is the way the filler was transported:
