Metalwork

Technology - G.

H. Thomas -

Google Books

Metalworking is
the process of

File Type PDF

Metalwork

Technology
And Practice

working with metals to create individual parts, assemblies, or large-scale structures. The term covers a wide range of work from large ships and bridges to precise engine parts and

File Type PDF

Metalwork

Technology

And Practice

delicate jewelry. It therefore includes a correspondingly wide range of skills, processes, and tools.
