The Eight Most Awkward Presidential Transitions - The Atlantic

In the United States, a presidential transition is the process during which the powers of the president of the United States are transferred from an incumbent president to the president-elect. The transition formally takes place between election day, which is on the first Tuesday after the first Monday of November every four years, and inauguration day, when the incoming president takes the oath of office, though the planning for transition can start at any time before the election. The 20th Ame
