Although he is on crutches, a boy goes to the beach with his grandfather where they watch a seal being born, and during the following seasons the boy and the seal develop a special bond.

Throughout the past five decades, surfers have been falsely given a bad reputation that stems mainly from fictional movies. They are portrayed as lazy, weed smoking, hippy, free-loaders with no ambition in life other than surfing. That is not reality. Books with a surfing theme all have one thing in common; they are documents about courage, pushing the limits, near death experiences, overcoming all obstacles, friendship and love. What outsiders do not realize is surfers have a unique and spiritual connection with the Earth and Mother Nature. Once it's in the blood, it grabs hold of the soul and never let's go of it. It changes a person, and in most cases, in a positive fashion. Before Steven K Craig was an author, a world famous artist, a champion Jet Ski racer or known for being a co-creator of the iconic metal band Slayer, he was a Surfer, and it was his love for surfing that paved the way for his future. Steven dreamed of surfing years before he held a surfboard in his hands. At a very young age, the ocean reached in and took hold of his soul. He became the stereotypical Southern California surfer before it was stereotypical. To him, it wasn't a lifestyle; it was a magical way of life. His story is a testament to why people should live life with passion, to its fullest and never give up on dreams. Only once in every generation, a surfer who is at the right place at the right time gets to experience what is referred to as "Big Wednesday". It's the day they hope for and dream about. This is the day a surfer's physical and mental abilities are put to the test and pushed beyond the limits. On that day, death is close at hand, and for those that emerge victorious, they go on to conquer the world. There is no more fear, only living for each and every moment afterwards. You do not need to be a surfer to enjoy this magical story. A marvelous tale for the young people of today about how a boy that was different didn't follow trends or succumb to peer pressure conquered the world. People from all walks of life can learn what it is to truly be alive from the tale of a Surfer, even if they never grab a board and get in the water to take on the brutal monsters of the ocean, which only a true surfer has the courage to call "My Wave".

Cool English is a 6-level contemporary version of Join In. It is organized in lesson plans for each class session. These lesson plans give suggestions on different ways of exploiting the activities, plus extra ideas and materials. It includes clear and concise instructions with step-by-step explanations which simplify lesson-planning for the teacher. The guide is interleaved with the Pupil's Book and contains all the tape scripts. The 2 Audio CDs for the teacher contain all the songs and the recordings from the Pupil's Book, as well as the listening tests. The Tests CD contains pdfs of assessment tests for this level.

Filled with cool surf lingo, this sweet rhyming picture book is perfect for summer at the beach and for celebrating the love between a father and a daughter. Kirkus writes, "A most expressive chicken makes a splash in this winning title about learning to surf." - STARRED REVIEW

A captivating look at two centuries of surfing—the Sport of Queens—from Native Hawaiian royalty to the breakout style and jaw-dropping feats on the waves today. Few subjects in the world of sports and or the outdoors is more timely or compelling than women's surfing. From smart, strong, fearless women shattering records on 80-foot waves to professional athletes fighting for equal pay and a more fair and just playing field, these amazing, wave-riding warriors provide an inspirational and aspirational cast of powerful role models for women (and men) across all backgrounds and generations. Over the past two-hundred years, and especially the past five decades, the surfing lifestyle have become the envy of people around the world. The perception of sun, sand, surf, strong young women and their inimitable style, has created a booming lifestyle and sports industry—and the sport that is set to make it's Olympic exhibition debut in Tokyo 2021. A massive shift from when colonizers tried to extinguish all traces of Native Hawaiian surfing and its sacred culture. What is it about the surfing that intrigues people of all ages, from all corners of the world? The beaches and idyllic locations? The unique style and mystique that surfers project? These women, on the beach and riding giant waves, or in the media, have made their mark on not just their sport, but our wider culture. Women on Waves is filled with phenomenal athletic performance, breakthrough female achievements, and plenty of inspiration and fun to see us through until the time when we can all hit the surf once more! Spanning a millennia, From Hawaii to Malibu, New York to Australia, South Africa to the South

Pacific and beyond, Jim Kempton presents a fascinating new narrative that will captivate anyone who loves sports and the outdoors.

Based on a real military program! The US Navy's new breed of soldier is ready to make a big splash. An action-packed, maritime military adventure from the author of Dog Tags. A notorious Somalian pirate sails the Arabian Sea, leading a band of deadly thieves and mercenaries on an international crime spree. When they take American hostages aboard a cargo ship, they've finally gone too far -- and a special task force of Navy SEALs and Marines is called in to help. SEALs, Marines . . . and a talented sea lion named Sly. As Sly's handler, young sailor Felix has two important jobs. Job one is to get Sly to plant a beacon so that the U.S. strike force can follow the pirates back to their haven. Job two is to keep the sea lion safe and out of combat. But when the mission goes wrong and the pirates get the upper hand, Felix and Sly end up right in the middle of the action . . . with dozens of innocent lives at stake.

"A 22-volume, highly illustrated, A-Z general encyclopedia for all ages, featuring sections on how to use World Book, other research aids, pronunciation key, a student guide to better writing, speaking, and research skills, and comprehensive index"--

Presents a history of surfing and and the culture it has spawned.
