swagger-ui-dist is a dependency-free module that includes everything you need to serve Swagger UI in a server-side project, or a single-page application that can't resolve npm module dependencies. swagger-ui-react is Swagger UI packaged as a React component for use in React applications.

Designing APIs with Swagger and OpenAPI introduces you to a design-first paradigm that will teach you the best practices for describing and designing RESTful APIs using OpenAPI and Swagger. Using standards like OpenAPI, you can provide reliable, easy-to-use interfaces that allow other developers safe, controlled access to your software. Designing APIs with Swagger and OpenAPI is a hands-on primer to properly designing and describing your APIs using the most widely-adopted standard. Designing APIs with Swagger and OpenAPI introduces you to a design-first paradigm that will teach you the best practices for describing and designing

RESTful APIs using OpenAPI and Swagger. You'll build upon progressively-enhanced examples as you learn to describe an API and then extend it in the kind of scenarios you'd encounter in the real world. As you go, you'll use the popular Open Source tools to define APIs, generate documentation, and build other developer-friendly components like mocks, server stubs, and client SDKs. Purchase of the print book includes a free eBook in PDF, Kindle, and ePub formats from Manning Publications.

Levi was simple, like a child. It was the best thing about him, and it was the worst, too. When high school senior Jonas moves to Seattle, he is glad to meet Levi, a nice, soft-spoken guy and fellow basketball player. Suspense builds like a slow drumbeat as readers start to smell a rat in Ryan Hartwell, a charismatic basketball coach and sexual predator. When Levi reluctantly tells Jonas that Hartwell abused him, Jonas has to decide whether he should risk his future career to report the coach. Pitch-perfect basketball plays, well-developed characters, and fine storytelling make this psychological sports novel a slam dunk.

Unshakable Swagger is a guidebook and companion for men who wish to radically overhaul their confidence from the inside-out. With a combination of inner-foundation principles and outer-world techniques and social strategies, this book serves as a resource a man can turn to in order to achieve unwavering confidence in every situation he may encounter.

Bob Lee Swagger, former Marine Corps sniper, is back. And this time, it's personal. Forced off the road and into a crash that leaves her in a coma, barely clinging onto life, journalist Nikki

Swagger had been investigating reports of a crystal meth superlab in sleepy Tennessee, when she found herself inadvertently peeling back the layers on a huge conspiracy. Bob Lee Swagger is worried. As a former Marine Corps sniper, he's picked up more than his fair share of enemies hell-bent on revenge and he senses that something isn't right. Unconvinced by the Sheriff's conclusion that Nikki's crash was caused by a local kid high on Meth, Bob picks up the investigation where his daughter left off. As Swagger digs deeper, a violent crime clan, gunmen of all stripes and shapes, and deranged evangelicals all rear their ugly heads, but they will live to rue the day they targeted the wrong man's daughter. What people are saying about Bob Lee Swagger thrillers: 'Stephen Hunter's I, Sniper brings back one of the great characters in modern thrillerdom, Bob Lee Swagger, everyone's favourite lethal, dour Southerner. I kind of want Swagger to meet up with Lee Child's Jack Reacher one day, in a contest to see who could say the least while doing the most damage.' Malcolm Gladwell 'The tension never lets up' New York Times 'Stephen Hunter is an Elmore Leonard on steroids' John Sandford 'As all Bob Lee fans know, it comes down to 'straight killing time.' And so it does, in a ramped-up, high-tech High Noon finale. As always, Hunter makes it work with precise, detail-rich prose that strips the faux glamour from gun fighting and leaves only the skills of the combatants set against the horrors they wreak.' Booklist 'Hunter is back at the top of his game.' Publisher's Weekly 'In his guns-a-poppin' latest, Hunter pits his series hero against a nest of sharp-shooting vipers. Dust off the OK Corral. Even the somewhat squeamish, and even certifiable gun-dummies, may once again find chivalric, heroic Bob Lee just about irresistible.' Kirkus Reviews 'Hunter's thrillers are always taut, exciting, and well written, and his latest is no exception. There's also a lot of gun and tech talk as Swagger uses decades' worth of skills to

stay a step or three ahead of the baddies. Swagger fans will not be disappointed.' Library Journal 'Hunter has a unique writing style that thrills and captivates from the opening scene to deliver an exciting whodunit' The Sun 'Stories of passion, guilt and redemption that jump right off the page and smack the reader clean between the eyes' Independent on Sunday 'American hardboiled at its very best, full of taciturn and stoical characters and plotting in explosive overdrive' The Times 'Hunter choreographs the violence in steely prose and Swagger ... remains one of crime fiction's most engaging heroes' Irish Independent

High school senior point guard Jonas Dolan is on the fast track to a basketball career until an unthinkable choice puts his future on the line.

Ever wonder why some people are magnetic, confident in their abilities, in charge of their own destinies, and utterly at ease in their own skin? What's their secret? In a word: Swagger.And no, this is not the old swagger--that show-off, in-your-face, arrogant kind. This brand-new swagger is unshakable, undeniable and utterly unstoppable. And you can have it too.Award-winning training guru and coach Leslie Ehm shows that true swagger results from your ability to manifest who you really are and hold on to it in the face of all the psychological crap that will come for it every day. Part guidebook, part manifesto, a little sweary and completely inspiring, Swagger gives you the steps to unlock and unleash your personal brand of swagger--one that can never be duplicated or diminished. And you'll read stories of the countless people Leslie's worked with who've discovered their own swagger and changed their lives for the better.Forget everything you think you know about confidence-building. Swagger shatters the myths around

"fake it 'til you make it," and shows you how to record over all the negative self-limiting tapes and stop giving away your personal power. You'll learn how to challenge the preconceptions of what you "should" and "shouldn't" do, and navigate the professional world with authenticity and badassery.Discover what swagger blockers are holding you back and what drivers will bring your unique and powerful personality to the forefront for all to revel at and see why Swagger is the new mindset that will bring you all of the success you've ever dreamed of without ever having to compromise or sacrifice who you really are.For anyone who's ever felt that they weren't good enough or believed that revealing their messy, vulnerable, authentic human selves could never result in greater success, Swagger will give you a doorway into the kind of self-belief that creates unimaginable confidence and will change the way you live, work and feel.Your swagger is waiting for you. What are you waiting for?

Stop being a poser. Start being a Christian. Is your faith for real? How about your walk? If everyone who claimed to love Jesus actually did, this world would be pretty close to paradise. Yet we live in a time when being a poser is not only easy, it's rewarded—especially where Jesus is concerned. But claiming to love Jesus without following him is bogus, fraudulent, and—frankly—it's not you. God has called you to be set apart, to live authentically, to walk a genuine Jesus Swagger. He wants followers, not pretenders. From Christian blogger Jarrid Wilson, Jesus Swagger is about calling out the phony, showing the pretender the door, and letting Jesus in instead. If you are suspicious of your own motivations, your own talk, or even your own Christianity, it's time to be honest, come clean, and get real. It's time to take the Jesus Swagger litmus test and start walking the walk.

I, Sniper Recruited by the FBI to examine the data, retired Marine sharpshooter Bob Lee Swagger penetrates the new technology of the secretive sniper world to unravel a sophisticated conspiracy run by his most ruthless adversary yet—a marksman whose keen intellect and pinpoint accuracy rival his own. But when the enemy and his deadly henchmen mistake Bob for the hunted, it's clear that some situations call for a good man with a gun . . . and the guts to use it. Night of Thunder Woe unto he who crosses Bob Lee Swagger, especially when his daughter's life is at stake. Forced off the road and into a crash that leaves her in a coma, clinging to life, reporter Nikki Swagger had begun to peel back the onion of a Southernfried conspiracy bubbling with all the angst, resentment, and dysfunction that Dixie gangsters can muster. An ancient, violent crime clan, a possibly corrupt law enforcement structure, gunmen of all stripes and shapes, and deranged evangelicals rear their ugly heads and will live to rue the day they targeted the wrong man's daughter. It's what you call your big-time bad career move. All of it is set against the backdrop of excitement and insanity that only a weeklong NASCAR event can bring to the backwoods of a town as seemingly sleepy as Bristol, Tennessee. 47th Samurai Bob Lee Swagger and Philip Yano are bound together by a single moment at Iwo Jima, 1945, when their fathers, two brave fighters on opposite sides, met in the bloody and chaotic battle for the island. Only Earl Swagger survived. More than sixty years later, Yano comes to America to honor the legacy of his heroic father by recovering the sword he used in the battle. Bob Lee finds the sword and delivers it to Yano in Tokyo. On inspection, they discover that it is not a standard WWII blade, but a legendary shin-shinto katana, an artifact of the nation. It is priceless but worth killing for. Suddenly Bob is at the

center of a series of terrible crimes he barely understands but vows to avenge…

"Tight end," noun: 1. a position in American football, 2. NFL star Marcus James, 3. what any hot-blooded woman can't stop staring at every time Marcus walks by. Bree Novak is so close to earning her Ph.D. she can taste it, but she's supposed to be writing her dissertation, not giving lectures while her advisor slacks off. The semester gets even crazier when veteran tight end Marcus James—Bree's celebrity crush—enrolls in her "Intro to Physics" class. The man's even hotter in person than he looks on Sunday Night Football. So why is Bree hoping he drops out? Maybe it's because Marcus, with his cocky smile and chiseled body, is the ultimate distraction. . . . Drafted out of college years ago by the Milwaukee Dragons, Marcus is taking advantage of a season-ending knee injury to finish his bachelor's degree. Plus, thanks to a required science credit, he's also getting to know the geek goddess who teaches physics. With brains and beauty, Bree is living proof that opposites attract. She's even kind enough to give Marcus extra help with the material, as if she didn't have anything better to do. And the more time Marcus spends with her, the more he realizes he's not just crushing on his teacher—he's falling for her. Don't miss any of Liz Lincoln's mouthwatering Milwaukee Dragons novels, which can be read together or separately: ON THE LINE • SWAGGER • HOME FIELD ADVANTAGE

In this wakeup call for parents about the real world boys inhabit right now, Bloom explains how to teach your boy humility (the swagger anti-venom), to "making your home a reading mecca," creating an expectation of college graduation, and how to teach your boy to be critical of the

media onslaught in his life.
