"Until the Rosetta Stone was finally translated and the decoding of hieroglyphic writing made possible, much of Egyptian history was lost. The author has done a masterful job of distilling information, citing the highlights, and fitting it all together in an interesting and enlightening look at a puzzling subject." —H. "The social and intellectual history here are fascinating. A handsome, inspiring book." —K. The accolades speak for themselves:"Fritz draws the readers into scenes from her youth in the turbulent China of the mid-twenties. One comes to appreciate the generous affection of her nurse/companion Lin Nai-Nai, the isolating distance in her mother's grief over losing a second child, the dynamics of a suffering population venting its hostility on foreigners, and most of all, the loneliness of a child's exile from a homeland she has imagined constantly but never seen....A remarkable blend of truth and storytelling." --Booklist, starred review"An insightful memory's-eye-view of her childhood...Young Jean is a strong character, and many of her reactions to people and events are timeless and universal." --School Library Journal, starred review"Told with an abundance of humor--sometimes wry, sometimes mischievous and irreverent--the story is vibrant with atmosphere, personalities, and a palpable sense of place." --The Horn Book"Every now and then a book comes along that makes me want to send a valentine to its author. "Terrifying... Eloquent... A heart-rending drama of human yearning." --New York Times In April 1992 a young man from a well-to-do family hitchhiked to Alaska and walked alone into the wilderness north of Mt. McKinley. He had given \$25,000 in savings to charity, abandoned his car and most of his possessions, burned all the cash in his wallet, and invented a new life for himself. Four months later, his decomposed body was found by a moose hunter. How Christopher Johnson McCandless came to die is the unforgettable story of *Into the Wild*. Immediately after graduating from college in 1991, McCandless had roamed through the West and Southwest on a vision quest like those made by his heroes Jack London and John Muir. In the Mojave Desert he abandoned his car, stripped it of its license plates, and burned all of his cash. He would give himself a new name, Alexander Supertramp, and, unencumbered by money and belongings, he would be free to wallow in the raw, unfiltered experiences that nature presented. Craving a blank spot on the map, McCandless simply threw the maps away. Leaving behind his desperate parents and sister, he vanished into the wild. Jon Krakauer constructs a clarifying prism through which he reassembles the disquieting facts of McCandless's short life. Admitting an interest that borders on obsession, he searches for the clues to the drives and desires that propelled McCandless. Digging deeply, he takes an inherently compelling mystery and unravels the larger riddles it holds: the profound pull of the American wilderness on our imagination; the allure of high-risk activities to young men of a certain cast of mind; the complex, charged bond between fathers and sons. When McCandless's innocent mistakes turn out to be irreversible and fatal, he becomes the stuff of tabloid headlines and is dismissed for his naiveté, pretensions, and hubris. He is said to have had a death wish but wanting to die is a very different thing from being compelled to look over the edge. Krakauer brings McCandless's uncompromising pilgrimage out of the shadows, and the peril, adversity, and renunciation sought by this enigmatic young man are illuminated with a rare understanding--and not an ounce

of sentimentality. Mesmerizing, heartbreaking, *Into the Wild* is a tour de force. The power and luminosity of Jon Krakauer's storytelling blaze through every page.
