Sight words are common words that appear again and again in your children's reading material. Knowing these words is essential for reading fluency. This set provides practice at the beginning reading level, and introduces 30 of the most common and easy sight words. Our method makes the process of learning to recognize sight words very simple for the young reader. Consistent short vowels and simple stories mean children sound out (decode) the story, and learn only three sight words per book. With plenty of repetition and context clues, your young reader will quickly master early sight words with Bob Books Sight Words - Kindergarten. Inside this eBook you'll find: - 10 easy-to-read, hilarious small books, 12 pages each - All stories told in three and four letter words, plus sight words - Consistent short vowels mean easy decoding in the rest of the story - Three new sight words introduced in each book

Is your child excited to draw or color, but still anxious to read? Both you and your child will love this book! Exciting Sight Words Coloring is not just any kid's coloring book! Each coloring page focuses on either a high-frequency word or a sight word. The focus word is a part of the coloring picture. The children color in and around the word, looking and reading the word over again and again, improving reading and spelling skills at the same time! With each new page, the children practice basic counting skills by simply counting the focus words on each page. Exciting Sight Words Coloring also supports creative thinking. The children are prompted to think of sentences or stories using both the focus word and the picture they are coloring. Last but not least benefit of this book is the coloring itself. Coloring supports child's fine motor skills development, aids in hand-eye coordination, but also develops the skill of patience and learn to focus on details. This book contains the first 100 high-frequency and sight word coloring pages. Great for beginning readers, Kindergarten through First Grade.

Flash Skills are a line of full-color mini-workbooks designed to focus on specific skills. Each book uses a unique theme and adorable art to help young learners master math and reading through practice and reinforcement. Fun full-color stickers motivate and reward.

From Flash Kids, the trusted name in learning: more than 200 sight words for beginning readers! Sight words are the most commonly used words in the English language--and when children learn to recognize them, they're one important step closer to reading success. This engaging workbook introduces aspiring readers to all 220 sight words. Along with fun activities, each section includes a review that tests readers' understanding before they move on.

In Transylvania during the Middle Ages, a pack of wolves sets out on a perilous journey to prevent their enemy from calling upon a legendary evil one that will give her the power to control all animals.
