Also, the World Bank recognized that rapid population growth is a major hindrance to development and provided assistance; and the United Nations Fund for Population Activities (UNFPA) was set up to support family planning programmes. More recently, however, funding for population growth issues from the USA has decreased.

~~WHO | The global family planning revolution: three decades ...~~

The Global Family Planning Revolution. The striking upsurge in population growth rates in developing countries at the close of World War II gained force during the next decade. From the 1950s to the 1970s, scholars and advocacy groups publicized the trend and drew troubling conclusions
