KANSAS, 1905 On a new well out on the plains an assassin's bullet kills oilman Spike Hopewell. Minutes later an explosion rips apart his refinery. Death and destruction - just another bad day at the well? Except Isaac Bell of the Van Dorn Detective Agency witnessed everything. He's trailing a murderer who has been targeting anyone brave enough to stand against the powerful interests of Standard Oil. It's a cat and mouse chase which leads Bell to Texas and New York in pursuit of the sharpest shooter in the land. Yet there's more to this assassin than meets the eye. And they're creeping closer to Bell with each passing day . . . Praise for Clive Cussler: Cussler is hard to beat - Daily Mail The guy I read - Tom Clancy The Adventure King - Sunday Express

The 1950 discovery of four bodies inside a sunken steam locomotive in a Montana lake gives way to the story of a murderous 1906 bank robber whose ruthlessness challenged Isaac Bell, a talented detective whose struggle to identify and capture the killer had been complicated by the great San Francisco earthquake. 750,000 first printing.

Detective Isaac Bell tracks a killer across the nation's oilfields in this adventure in the #1 New York Times-bestselling historical series. As Van Dorn private detective Isaac Bell strives to land a government contract to investigate John D. Rockefeller's Standard Oil monopoly, the case takes a deadly turn. A sniper begins murdering opponents of Standard Oil, and soon the assassin-shooting with extraordinary accuracy at seemingly impossible long range-kills Bell's best witness. Then the shooter detonates a terrible explosion that sets the victim's independent refinery ablaze. Bell summons his best detectives to hunt down the mysterious killer. But the murders-shootings, poisonings, staged accidents-have just begun as Bell tracks his phantom-like criminal adversary from the "oil fever" regions of Kansas and Texas to Washington, D.C., to the tycoons' enclave of New York, to Russia's war-torn Baku oil fields on the Caspian Sea, and back to America for a final, desperate confrontation. And this one will be the most explosive of all.

Turn-of-the-century detective Isaac Bell matches wits with a German spy just as the world inches closer to global warfare in this novel in the #1 New York Times-bestselling series. It's 1910 and Chief Investigator Isaac Bell, along with fellow Van Dorn detective, Archie Abbott, is escorting a Wall Street stock swindler to his trial in New York aboard the ocean liner Mauretania. Pair intend to enjoy the open sea and make use of the leisure time to plan Bell's wedding to Miss Marion Morgan, but are forced to change plans when two European scientists are nearly abducted and forced overboard. Bell springs into action just in time to stop the kidnapping, but his new charges are convinced they are still at risk. There's something in their possession, an historic invention, and there's a German munitions trust that will stop at nothing to steal it. For war clouds are looming, and a ruthless espionage agent has spotted an opportunity to give the German Empire an edge in the coming conflict. What's worse, Bell's already a step behind. He's made the mistake of assuming it's some sort of war machine. But not all weapons are meant for the battlefield...

Protecting a woman aviator whose violent husband has already committed one murder, Isaac Bell of the Van Dorn Detective Agency oversees the woman's participation in a daring 1910 cross-country race, which is being sponsored by a wealthy newspaper publisher.

Organizing a group of fellow law enforcers to dismantle an Italian gangster mob that has spread throughout 1906 New York City, Detective Isaac Bell of the Van Dorn Agency begins to suspect that copycat criminals are using the gang's name to gain personal power.

The latest nerve-shredding adventure thriller in the popular Isaac Bell series from international bestseller Clive Cussler As Van Dorn private detective Isaac Bell strives to land a government contract to investigate John D. Rockefeller's Standard Oil monopoly, the case takes a deadly turn. A sniper begins murdering opponents of Standard Oil, and soon the assassin-shooting with extraordinary accuracy at seemingly impossible long range-kills Bell's best witness, a brave and likable man. Then the shooter detonates a terrible explosion that sets the victim's independent refinery ablaze. Bell summons his best detectives to scour the site of the crime for evidence. Who is the assassin and for whom did he kill? But the murders-shootings, poisonings, staged accidents-have just begun as Bell tracks his phantom-like criminal adversary from the "oil fever" regions of Kansas and Texas to Washington, D.C., to the tycoons' enclave of New York, to Russia's war-torn Baku oil fields on the Caspian Sea, and back to America for a final, desperate confrontation. And this one will be the most explosive of all. Praise for Clive Cussler: Cussler is hard to beat - Daily Mail The guy I read - Tom Clancy The Adventure King - Sunday Express

Detective Isaac Bell's investigation into an attempted assassination brings him to the construction site of the Panama Canal--and straight into a nest of vipers--in the latest adventure in the #1 New York Times--bestselling series from Clive Cussler. Detective Isaac Bell's wife has said that he is always in the wrong place at the right time. This is certainly the case when Bell thwarts the assassination of a U.S. Senator shortly after meeting the man. This heroic rescue is just the start of the mystery for Bell, who suspects that the would-be assassins have a much larger and more dangerous agenda--one involving the nearly-constructed Panama Canal. While the senator supports the building of the canal, there are many, including a local Panamanian insurgency known as the Red Vipers, who never want to see its completion. With millions of dollars and the fates of two nations at stake, Bell heads to Panama to find answers. After a deadly bombing at the canal's construction site, he is determined to stop the insurgents--or whoever is funding them--before they can attack again.

When Isaac Bell attempts to decipher the forbidding deaths of nine men, he encounters a secret so powerful it could dictate the fate of the world in this riveting thriller by the #1 New York Times--bestselling author. A century apart, NUMA Director Dirk Pitt and detective Isaac Bell team up to unlock the truth about the most famous maritime disaster of all time. In the present day, Pitt makes a daring rescue from inside an antiquated submersible in the waters off New York City. His reward afterward is a document left behind a century earlier by legendary detective Isaac Bell--a document that reopens a historical mystery... In 1911, in Colorado, Isaac Bell is asked to look into an unexplained tragedy at Little Angel Mine, in which nine people died. His dangerous quest to answer the riddle leads to a larger puzzle centered on byzantium, a rare element with extraordinary powers and of virtually incalculable value. As he discovers that there are people who will do anything to control the substance, Isaac Bell will find out just how far he'll go to stop them.

After witnessing a terrible coal mining accident, Detective Isaac Bell hunts for the high-level saboteurs he believes are responsible in this new novel from the best-selling co-authors of The Thief and The Spy. Reprint. 750,000 first printing.
