The international relations of minor countries are covered in their own history articles. This era covers the period from the end of the Napoleonic Wars and the Congress of Vienna (1814–15), to the end of the First World War and the Paris Peace Conference. For the previous era see International relations, 1648–1814.

International Relations | Department of Political Science ...

The "English School" of international relations theory, also known as International Society, Liberal Realism, Rationalism or the British institutionalists, maintains that there is a 'society of states' at the international level, despite the condition of "anarchy", i.e., the lack of a ruler or world state. Despite being called the English School many of the academics from this school were neither English nor from the United Kingdom.
