~~Flag of the United Nations — Wikipedia~~

There are currently 193 member countries of the United Nations. Of the world's 196 countries, there remain only two non-member states: the Holy See or Vatican city and Palestine.

These nations are assigned the status

Download Ebook The United Nations And The

of permanent observers of UN proceedings for political and religious reasons. That leaves only one country not accounted for.

~~Member Countries of the United Nations~~

The forerunner to the United Nations,

Download Ebook The United Nations And The

was the league of Nations. It was created under the treaty of versailles in 1919 (8) (14). Many believe the idea of the UN ' s creation was due to the second world war, it wasn ' t. A plan for global control through a well disguised body of peace started long before 1945.
