Stanley Featherstonehaugh (pronounced "fan-shaw") Ukridge is a quick-witted idler who is always working on his next get-rich scheme. This may lead to him opening a dog-training school, insuring fiddles, rigging horse races, or just hitting up his hapless chum Corky. Based on the stories by P.G. Wodehouse. Written by Mike Konczewski

[Ukridge \(TV Series 1968\) - IMDb](#)

Ukridge is a set of ten short-stories about the eponymous gentleman, told from the perspective of his close friend Corky. The titular character is an enthusiastic entrepreneur and borrower of cash, though his escapades rarely go to plan. Each story stands alone, but several form a loose continuing narrative.

Ukridge is a handful of short stories about a three-named English toff trying to swindle folks out of their brass. I feel like Wodehouse was toying with his model story here, working to create the perfect mold. He's got the plot thing sussed, but his characters need work. A few of them become recurring characters in his Jeeves & Wooster work.

Ukridge has the irrepressible optimism and inventiveness of a loveable Wodehouse rogue; he is a supremely imaginative and supremely incompetent entrepreneur (or unlucky if you take his viewpoint), always taking the 'broad vision', not trifling with details, always in search of capital. It would be interesting to see him on 'Dragon's Den'! The book is a series of short stories about his various ...

If Stanley Featherstonehaugh Ukridge had a fiver for every dodgy scheme he has ever floated, he would be a rich man indeed. In these ten stories he tries every way of making money, from writing political slogans to opening a college for dogs. In his own eyes, Ukridge is a Great Man and a Visionary. In ours, he is English literature's most delightful chancer and one of Wodehouse's greatest comic creations-

charming, ambitious, persuasive, optimistic and almost always disastrous. Sometimes supported by his rich Aunt Julia - but more often expelled from her house for his sins - he moves through the landscape in his eternal yellow mackintosh, dreaming of riches and borrowing shillings, an innocent abroad in a hostile world.

Stanley Featherstonehaugh Utridge is one of P. G. Wodehouse's less famous characters. He first appears in *Love Among the Chickens* in 1906 and then continues to make appearances in another 19 short stories until as late as 1966, making him Wodehouse's longest running character. Utridge is an inveterate opportunist, and these stories chronicle his exploits as a young man: his trials and tribulations as one who is destined for greatness, if the rest of the world would only cooperate. Told from the point of view of his long-suffering friend and fellow bachelor "Corky" Corcoran, they chronicle their many meetings in the years before the period of *Love Among the Chickens*. As with most of his stories, Wodehouse published the first 10 stories in both the U.S. (*Cosmopolitan*) and the UK (*Strand Magazine*) before they were published in the 1924 collection *Utridge*. This book is part of the Standard Ebooks project, which produces free public domain ebooks.

Stanley Featherstonehaugh Utridge comes up with a variety of schemes to make money.

A collection of P. G. Wodehouse's classic stories featuring his beloved and comedic character, Stanley Featherstonehaugh Utridge, famous for his love of get-rich-quick schemes. The stories include: *Utridge's Dog College*, *Utridge's Accident Syndicate*, *The Début of Battling Billson*, *First Aid for Dora*, *The Return of Battling Billson*, *Utridge Sees Her Through*, *No Wedding Bells for Him*, *The Long Arm of Looney Coote*, *The Exit of Battling Billson*, and *Utridge Rounds a Nasty Corner*.

Collection of the 19 stories concerning Stanley Featherstonehaugh Utridge.

Beloved British humorist P.G. Wodehouse produced a wealth of literature in his lengthy career, contributing novels, short stories, plays, lyrics and essays to the canon of comic writing. His work in film and television included two stints as a screenwriter in Hollywood in the 1930s, and his stories have been the basis for more than 150 film and television productions. He also wrote 20 stories and essays about Hollywood, satirizing the city and its entertainment magnates. This book studies P.G. Wodehouse's extensive, but often overlooked relationship with Tinsel Town. The book is arranged chronologically, covering Wodehouse's Hollywood career from his early efforts in silent film, to his later contributions in television, to his work adapted posthumously for the screen. Radio is covered as well, including a discussion of his internment in occupied France and his brief appearances on German radio. Reflecting Wodehouse's international appeal, the book covers Wodehouse films and television in England, Germany, Sweden, and India. Also included are a comprehensive, detailed list of Wodehouse's stories and articles about Hollywood, and a complete filmography of motion picture and television works to which he contributed or which were based on his stories.
