Take The Chump Challenge True Or False: 1. Treating a girl you like to a dinner date is a great idea. 2. Slipping sexual innuendo into a conversation with a girl you hardly know is a bad idea. 3. Talking to the prettier of two girls is a good idea. If you answered false to all three questions, you just might be a PUA (pickup artist.) Otherwise, you are an AFC (average frustrated chump.) If you think that's crazy, consider this: these dynamics have been confirmed hundreds of times by hundreds of men. The Layguide teaches any guy the proven techniques of the best pickup artists in the world: • The 3-seconds Rule (the most important rule you'll ever learn). • Developing the confidence of a true player. • How to become an Alpha Male. • The most successful approaches. • Gimmicks that work. • Closing the deal. Armed with the wisdom collected in The Layguide, you will never again waste money on go-nowhere dates. You will never again hesitate to approach a beautiful woman. You will no longer fear rejection. You will never be a supplicating chump just because a woman is attractive. You WILL be an unapologetically sexual male with poise, power, and the skills to have any woman you desire. Tony Clink is the webmaster of [www.layguide.com](http://www.layguide.com), and one of the most successful pick-up artists in the world.

Covering all aspects of maintenance, repair and routine servicing tasks, this guide to the Vauxhall/Opel Astra and Zafira features technical information and specifications for petrol cars built between 1998 and 2004.
