Each chapter is based on phrases from the worship song "He Knows My Name" and communicates the wonder of how God knows each of us in an unspcakably intimate way. Emphasis is on the love of God toward us and the significance of God calling us His children. He knows us, loves us, sympathizes with us, listens to us, has a future for us, forgives us, and delights in us. The chapters end with a prayer acknowledging these truths, promoting worship and gratitude to the Father. Personal testimonies are included from people around the world who have been touched by the Father's love through the words to the song "He Knows My Name."

Join the celebration of the worship choir at High Praises Church of God with this dynamic choral collection. We Will Remember, under the direction of Danny Knight. Danny is not only responsible for the choir and worship at High Praises, but he and his wife Wanda are responsible for one of the top arrangers in America, their son, Bradley Knight. It is no surprise that Bradley Knight would deliver these stirring arrangements with extra passion and care. But more than the earthly family connection, it is Bradley's hope and prayer, along with Brentwood-Benson, that this worship project will bring glory and honor to our Heavenly Father who is the Giver of all gifts. Bradley Knight brings 10 explosive arrangements of songs from such powerful writers as Tommy Walker, Richard Smallwood, Mark Condon and many more. This unparallel worship collection experience is sure to inspire your choir and congregation to remember God's faithfulness, His goodness and His unparalleled love for each of us.

A decorated veteran, a man of unbreakable faith, humor, spontaneity and love; Dan suffered through sixteen months of a rare and aggressive cancer. Forty years earlier while serving his country in Vietnam never was there a thought that the defoliant Agent Orange he and many others were exposed to; would have him fighting for his life once again. Always trusting God with the promise that, Tomorrow Will Be Better...he deeply believed there was a mission to be accomplished. Through the tragic turns in a beautiful journey of life, more blessings were received than disappointments experienced. Surrounded by God appointed strangers, supported with divinely delivered scriptures and blessed with miraculous interventions, the journey and his mission were fulfilled. His tomorrow became his today; and it was perfect.

Christians have been told again and again that Jesus loves them, yet many have not stepped into the security and intimacy that His love provides. Whether because of poor past relationships or a lack of good examples, many struggle to find intimacy with their Savior. Now, Rebecca Hayford Bauer invites readers to step into the best love story of all. 7 Love Letters from Jesus is an in-depth study of Revelation 2 and 3, a passage of Scripture that paints a metaphorical picture of courtship, engagement and marriage to the Lamb of God. It's also a passage that Christians have sometimes misread or misunderstood--but no longer! Readers will gain a new appreciation for these vivid images for their spiritual life and begin to see how Jesus views each and every person: as worthy of His relentless pursuit.

About The Book A professional naval officer reflects on a long and varied career in this memoir intended for family only. The star Argentinian striker Claudio Caniggia has described Dundee as 'a football town' and, as the favoured partner of arguably the world's greatest-ever player Diego Maradona, he should know. But why should he care? What was this man doing, plying his trade in Dundee? Dundee Football Club - the Dark Blues - do have a tradition; they have produced a number of outstanding players, won all the major Scottish trophies and, in 1963, reached the semi-final of the European Cup. For the next three decades, however, their story was one of gradual decline - and you can lose a lot of supporters in 30 years. When brothers Peter and Jimmy Marr, local businessmen, took over at Dens Park in 1997, the fans didn't know what to expect. They were a different proposition from their predecessors in that they had experience of running successful amateur and junior football clubs - but while the team performed creditably under Jocky Scott, there were still a number of very average players getting a game and the wider fan base was only inclined to attend a handful of matches during the season. Having battled to get promotion to the Scottish Premier League and build new stands, however, Peter Marr proceeded to make a leap of cultural faith. He knew that quality football was the key to any form of success and that, generally speaking, it could be found on the European continent. Marr originally expressed interest in Ivano Bonetti as a player, but when he discovered that the Italian was also interested in management, decided to embark on a footballing adventure with him. What followed has been one of the most remarkable episodes in recent Scottish football history. In the face of great cynicism and limited resources, Bonetti has assembled a squad of outstanding international talent, with his friend Claudio Caniggia the jewel in the crown. Results have been both good and bad - and sometimes downright weird - but the football has always been consistently entertaining and frequently breathtaking. No Dundee fan will ever forget season 2000-01. In this book Jim Wikkie reviews the tradition of the club and, using key profiles and reports, charts their amazing transformation to Bonetti's Blues.
