Youth Football Offensive Line Drills: The Fundamentals | STACK

Set and punch pass blocking is a perfect offensive line drill for youth football; players can pass blocking during their offseason. A
successful pass blocking is a combination of balance and body control, which helps the quarterback get more time.

7 Offensive Line Blocking Drills for Youth Football ...

The drill starts by having a coach or teammate line up across from an offensive lineman with a bag. The offensive lineman will start in his
normal three-point stance, while the coach with the bag will line up over either his right or left shoulder. To start the drill, the lineman will
kick out his leg and slide his body over toward the coach with the bag.

Run Blocking Drills. Most offensive lineman love run blocking, because it allows them to be physical and aggressive while dictating
movements on the defense. While pass protection is more passive in nature, run blocking puts the line into attack mode as they look to
seek and destroy their assignment.

Winning Offensive Line Drills - Dave Christensen - YouTube

An offensive lineman may not be the fastest player in a 40-yard dash, but all good offensive linemen are extremely quick in their movement for the first 5 or 10 yards. Great quickness allows an offensive lineman to get into proper position on a defensive player, physically placing himself between the defensive man and the ball carrier, or between the pass rusher and the quarterback. ”

Offensive Line Drills - Football Drills

Coaching Offensive Line Youth Football is probably one of the most important coaching roles on a youth football coaching staff. Pee Wee linemen need a ton of repetitions to learn how to block effectively and understand blocking rules for each play.

Coaching Offensive Line Youth Football Best 1 Blocking Line

How to Execute a Six-Point Explosion Drill. Players are positioned in a six-point stance with hands, knees, and toes on the ground. The buttocks of players should be touching as close to their heels as possible. On the whistle or ball simulation, players are to explode out of this stance by rolling the hips and firing arms out as if attacking offensive lineman.
